

Spline-interpolation solution of one elasticity theory problem

Shirokova E., Ivanshin P.

Kazan Federal University, 420008, Kremlevskaya 18, Kazan, Russia

Abstract

This book appeared as a result of the development of the Kolosov-Muskhelishvili plane elasticity theory solution methods. E.A.Shirokova applied the generalisation of these methods to the construction of the interpolation solution of the 3D problems of elasticity for cylinders and tubes in 2004. © 2011 Bentham Science Publishers Ltd.
